

VEIN CLINIC

PROCESS:

1. **MAKE AN APPOINTMENT FOR A VEIN CONSULTATION (Charges Apply)**
 - Wear Shorts If it is possible
2. **Have a Vein mapping Done if appropriate (Charges Apply)**
3. **If Patient is a candidate for an EVLT**
 - Outpatient Radiology will begin the Pre-Authorization process for the procedure.
 - This can take 2-6 weeks
 - OPR will not schedule until the pre-authorization is obtained or authorization department has discussed a payment plan with the patient.
4. **Once the Pre-Auth is obtained the Patient will be contacted to schedule the EVLT Procedure or other Vein treatment options.**
 - Follow-up Appointments, It is very important that patients return for the 6 week post procedure appointments, and they are scheduled during vein clinics.
